Ayodele Oluwafemi

Cybersecurity Analyst

Phone: +2348104735193 | Email: Ayodelenuel@yahoo.com

Professional Summary

Dedicated and proactive Cybersecurity Analyst with a strong foundation in security principles, threat detection, and penetration testing. Since 2021, I have built my expertise through hands-on training, completing industry-recognized programs such as the Google Cybersecurity Certificate (Coursera), Practical Ethical Hacking (TCM Security), and career paths in Red Teaming and Penetration Testing (TryHackMe). Proficient in networking, operating systems, security tools (e.g., Burp Suite, SIEM), and cyber frameworks. Eager to contribute to a dynamic security team with strong problem-solving skills, attention to detail, and a passion for protecting digital systems.

Key Skills

- Threat Detection & Analysis

- SIEM Tools (Security Information & Event Management)

- Penetration Testing | Kali Linux | Burp Suite

- Computer Networking & OSI Model Understanding

- Report Writing | Analytical & Creative Thinking

Work Experience

Cybersecurity Virtual Internship - Deloitte | Remote | 2025
